

Sackville Minor Hockey Club 50/50 Fundraiser

Lottery Player Registration Form

How does the 50/50 program work?

Weekly payment due by 6:00pm on Monday.

Weekly draws on **Wednesday** night. If the number drawn is not played, draws continue until a played number is drawn.

Once you fill out this form and leave it at a store, you will be assigned a player number by the 50/50 committee. You must be 19 years of age or older to play.

Methods of Payment

It costs \$1 per week to play. You may pay at any of the stores listed at the bottom of this form. You can pay weekly or pre-pay for many weeks in advance.

Prepayment is preferable for 2 reasons: firstly, you are guaranteed to have played each week (if you forget to pay for a week and your number is drawn, you do not win!); secondly, this makes less "paperwork" for the volunteers running the 50/50.

Cash and cheques (including post-dated) are acceptable methods of payment.

Name of lottery player: _____

Address: _____

Phone Number: _____

E-mail Address: _____

Name of SMHC player being supported (if applicable): _____ OR

No specific player, in support of Sackville Minor Hockey Club _____

Please circle the store where you would like your lottery number left for you to pick up. These are, also, the stores where you can play your number(s).
